PRIVATE PILOT LICENSE COURSE DELUXE

PPL (A) COURSE DELUXE

A. INTRODUCTION

The Private Pilot License PPL(A) «Deluxe» Course is a program designed to train students with no previous flight experience to level of flying as private pilots in command, on single engine piston (SEP) aircrafts under visual flight rules. In addition, they can enhance and update their license with additional courses and ratings according to their own priorities needs.

The aim of the PPL(A) course is to train the student pilot to fly safely and efficiently under Visual Flight Rules.

The course shall last more than six (6) months, and during this period the applicant shall complete all the instructional stages of both theoretical and flight training, under the supervision of FAS Pilot Academy Approved Training Organization (ATO)
